Alpine ISD will provide our children with learning experiences to be responsible, productive, and successful citizens of an ever changing world.

TRANSFER AGREEMENT 2023-24

This Transfer Agreement establishes the terms and conditions for _____
_____ (“Student”) to attend the Alpine Independent School
District public schools (“District”) as a transfer student for the 2023-24 school year. Student is a
resident of the _____ School District.

Student’s parent(s) or guardian(s), _____
 (“Parent”), requests that the Student be permitted to attend District schools in the 2023-24
school year and agrees to the following terms and conditions for that transfer:

1. This transfer is effective for the current school year only. District approval of the transfer creates no right or expectation that the Student will be admitted as a transfer for any subsequent school year.
2. This transfer is approved for the named Student **only**. District approval of this transfer creates no right or expectation that another student from the same family will be admitted as a transfer.
3. Students must maintain acceptable levels of attendance, academic achievement, and compliance with the Student Code of Conduct throughout the entire school year.

Acceptable levels are defined as:

- a. **Attendance:** Maintain at least a 90% attendance rate.
- b. **Academic Achievement:** Maintain at least a 70% average in all core subjects *and* demonstrate competency on state assessments (if applicable).
- c. **Compliance with Student Code of Conduct:** Comply with the Student Code of Conduct and maintain good conduct. Any assignment to an in-school suspension program, disciplinary alternative education program, suspension, and/or felony conviction is not considered good conduct. Transfer students shall be subject to the same disciplinary consequences as all other Alpine ISD students. Except as otherwise outlined in this Agreement, Alpine ISD will attempt to provide the same resources to transfer students as are provided to all other students prior to a student’s transfer being revoked. These resources include academic tutorials and

assistance, behavioral interventions, parent/guardian meetings, and counseling from the campus counselor. A transfer student whose transfer status is revoked is not permitted to reapply for transfer status during that same school year.

4. The superintendent or designee may revoke the transfer of a Student who fails to maintain an acceptable level of attendance, academic achievement, or compliance with the Student Code of Conduct. The campus principal and/or counselor, with teacher input, will review the parameters of the transfer student agreement each grading cycle to determine any violations of the terms of this agreement.
5. Parent(s) must comply with and observe all District policies and reasonable District and campus procedures and requirements.
6. The superintendent or designee may revoke the transfer of a Student whose Parent(s) fail to comply with and observe all District policies and reasonable District and campus procedures and requirements.
7. If this Agreement is revoked, revocation will ordinarily be effective at the end of the grading period in which a standard for continued admission is violated. Policy FDA(LOCAL) applies to Admissions for Interdistrict Transfers.
8. Alpine ISD does not charge tuition for transfer students.
9. The Parent or the Student will be responsible for transportation to and from the District school to which the Student is assigned.
10. Except as modified by this Transfer Agreement, the Student will be subject to all policies, regulations, rights, privileges, and responsibilities of enrollment in the District. The District and the Parent(s) agree that this Transfer Agreement is the entire agreement controlling admission and enrollment of the Student in the District for the 2023-24 school year.
